

Lebanon Church Road Improvement Project

West Mifflin Borough • Allegheny County

PennDOT PUBLIC MEETING ANNOUNCEMENT

The Pennsylvania Department of Transportation (PENNDOT) and Federal Highway Administration (FHWA) are pleased to invite you to attend a Public Meeting regarding the upcoming Lebanon Church Road Improvement project (S.R. 2040, Section A22). The proposed project is located on SR 2040 (Lebanon Church Road) in West Mifflin Borough from the intersection of Buttermilk Hollow Road and MacArther Drive to Ceco Drive for an approximate length of 2.4 miles. The proposed work includes bituminous resurfacing and widening near Rodeo Drive to accommodate a new left turn lane and signal into the western side of Rodeo Drive from Lebanon Church Road. The project will also include upgrades to drainage facilities, signals, median, signing, and ADA facilities as well as concrete patching and other miscellaneous work.

During the Public Meeting, the public will:

- Learn about the project and how it will impact traffic.
- Have the opportunity to express concerns about how the project may impact you and provide feedback on the project.
- For more information contact:
Erik Porter, P.E., Senior Project Manager
PennDOT, District 11-0
45 Thoms Run Road
Bridgeville, Pennsylvania 15017
Telephone: 412-429-4869
